same conditions provided for the issuance and retirement of bonds in IC 36-9-23 to the extent that the provisions of that statute are applicable and not in conflict with any of the express provisions of the water pollution control laws.

(b) IC 36-9-23-12 does not apply to bond issues proposed by a municipal corporation to comply with a final order issued under the authority of the water pollution control laws or IC 13-1-3 (before its repeal) and objections or submission to the qualified voters of the municipal corporation:
